### A PRAYER FOR ECONOMIC RESURRECTION AND FINANCIAL PROTECTION

**Father God, we come together in one accord before you with praise and awe, as you have created such a miraculous universe – it's lovely vastness and mighty sweep give testimony to your truth and majesty. It is with humble hearts we ask You our God who restores - Jehovah-Rapha and the Lord who will provide - Jehovah-Jirah - to hear our corporate prayer:**

We acknowledge the perfect sacrifice and terrible price paid by your only son, Yeshua - the Perfect Lamb our redeemer and advocate. We also thank you for not abandoning us to the dominion of despair and depth of evil that comes from the one who fell from such lofty heights. Without your perfect grace and mercy – we would certainly be lost in the hardened isolation of our sin! We have each sinned – and sinned greatly against your law and own up to our rebellion, laying down on your Holy Altar each and every one of our sins – known and unknown. In all humility we repent and ask for your forgiveness. As your sons and daughters we ask you El Shaddai, to gird up our loins as we stand in the gap for our nation and repent of all the evil and corruption in the open and in secret; that which is being done against you, the innocent, and to bring in the Luciferian Beast System. We know that through the blood of your only begotten son, these sins are paid for by His personal sacrifice and we are now washed clean of our errors as it states in Ephesians 1:7.

Thus, now in our cleansed state, we come before you, the great I AM as one voice – seeking your Psalm 91 shield of protection as we also deploy the full armor of God in Ephesians 6:10-18.

You have brought to our attention the enemy's plan of financial collapse – conspired, deployed and executed by those with dark purpose through their manufactured tool of the Coronavirus – a name itself that reveals their pride – as they seek to steal our crowns of majesty which you breathed over us in our mother's wombs – and to keep your gifts of life for themselves – as they perform their dark master's bidding to draw financial night about this whole earth! Together, we pray that you fully expose their wicked plans – for all to see and that none may hide from the parts they each played to make-real, their wicked plans. Stretch out your right hand and thwart them as we call upon your mercy and loving kindness of Psalm 136, in request for super natural provision as needed and your continued blessings upon this nation.

In Exodus 15:2 Moses sang his song of deliverance, and we do now as well:

*11 Who among the gods is like You, O LORD? Who is like You—majestic in holiness, revered with praises, performing wonders? 12 You stretched out Your right hand, and the earth swallowed them up. 13 With loving devotion You will lead the people You have redeemed; with Your strength You will guide them to Your holy dwelling....*

We finally ask that you would direct our paths that we must take together and individually to be your light in the midst of the darkness.

In Jesus' Mighty Name,  
Amen.
